

End of Life Notification

SYN Thermal Imaging Module

The Synectics thermal imaging module (SYN-XXX) and all variant model lines have been discontinued. Due to the nature of obsolescence, Synectics is currently developing an alternative product. However, the release of a direct replacement is imminent and shall be communicated once available.

1.1 Affected Products

Product Part Numbers	Recommended Replacements	Affected Products
SYN-315	TBC	C2000-*T
SYN-345	TBC	C2000-T2
SYN-625	TBC	C2000-T2F
SYN-650	TBC	C3000-*T
SYN-6100	TBC	C3000-T2

1.2 Proposed Product End of Support Period (EOS)

Synectics will continue to accept orders for products contained in this notification between the effective date and last time order date. After the last time order date, Synectics will no longer be able to guarantee product availability.

Synectics will discontinue shipment of all products contained in this notification after the last time ship date. All orders for these products must request delivery on or prior to the last time ship date.

1.3 EOL Notification Dates

Milestone	Date
EOL Notification Date	4 December 2014
Last Time Buy (LTB) Date	4 January 2015
End of Service (Eos)	4 May 2015

1.4 Response

For additional information regarding this notification, please contact your local Synectics representative.

1.5 End of Service Definition

This notice serves as formal communication of Synectics' intent to end the life of the product noted. No guaranteed further support will be provided once the End-of-Service timeline is reached for hardware issues, except for those customers with valid warranty or project extensions.

Synectics will maintain spares and support capability throughout the life of contracts in place.

Recovery plans and/or upgrades may be performed in accordance with service plans or upgrade agreements as agreed prior to EOL.
